

## FILEMAKER CLOUD SOFTWARE LICENSE

**IMPORTANT -- READ CAREFULLY:** BY INSTALLING, COPYING, DOWNLOADING, ACCESSING OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT INSTALL, ACCESS OR USE THE SOFTWARE, AND IMMEDIATELY DESTROY ANY COPIES OF THE SOFTWARE.

The software identified herein and documentation accompanying this License ("Software") are licensed, not sold, to you by FileMaker, Inc. and/or FileMaker International (collectively referred to as "FMI") for use only under the terms of this License, and FMI reserves any rights not expressly granted to you. The rights granted are limited to FMI and its licensors' intellectual property rights in the Software, only as detailed herein, and do not include any other patents or intellectual property or other rights. You own the media on which the Software is recorded or fixed, but FMI and its licensors retain ownership of the Software itself.

### 1. License.

**(a) General License.** The Software consists only of the following components: database server, web publishing engine, web server module, script engine, FileMaker Data API and ODBC/JDBC connectivity APIs. You may install or have installed on your behalf and use all the Software components on a single computer.

**(b) User Access.** The Software includes the rights to access data stored in the database server using the FileMaker WebDirect web browser client, the FileMaker Go client and the FileMaker Pro Advanced client (collectively "Client(s)"). You are required to purchase appropriate access to the Software depending on the license type under which you purchase:

**(i) User License.** If you are purchasing access to the software under a user license ("User License") contract then the following terms apply and the terms in section 1(b)(ii) below do not apply. Your company or organization who has licensed the Software under a User License contract must purchase a license for each unique individual who will access the Software using a Client. This unique individual who has a license to access the Software is defined as a "User." A User can use any Client to access the Software. If you license the Software under an hourly subscription, any copies of FileMaker Pro Advanced software you receive may only be used when connected to this Software. A User can use any Client to access FileMaker Cloud or FileMaker Server purchased under a Concurrent Connections License contract as long as they have a valid User License and use that User License when accessing FileMaker Cloud or FileMaker

Server. You may not allow any FileMaker Pro Advanced clients purchased under a Concurrent Connections License contract to access this Software.

**(ii.) Concurrent Connections License.** If you licensed this software under a concurrent connections license (“Concurrent Connections License”) contract and converted this software via the Bring Your Own License (“BYOL”) program, then the following terms apply (and the terms in section 1(b)(i) above do not apply to you). Your Organization or Company who has licensed the software under a Concurrent Connections License contract (“Licensed Organization”) must purchase the number of concurrent connections licenses that represents the maximum number of individual connections that will concurrently access the Software at any given time. Each Client accessing the Software counts as a concurrent connection. You may only allow employees of your Licensed Organization to use the FileMaker Pro Advanced client to access this Software. You may also allow temporary employees, consultants or contractors of your Licensed Organization to use the FileMaker Pro Advanced client to access this Software only when they are conducting business on behalf of the Licensed Organization. If Licensed Organization is an educational institution, you may only allow enrolled students, faculty members, teaching assistants, administrators or staff to use the FileMaker Pro Advanced client on computers owned by your educational institution to access the Software. In the case of FileMaker WebDirect, each web browser tab open and connected to FileMaker Cloud counts as a separate Client and will count as a concurrent connection. You may allow FileMaker Pro Advanced clients purchased under a User License contract to access the Software. If a single Client under a Concurrent Connections License contract accesses multiple instances of the Software at the same time, a concurrent connection is required for each instance of the Software accessed by that individual Client. You may only use up to the total number of concurrent connections you have licensed at any given time.

Each full version of FileMaker Pro Advanced (“Computer License”) purchased allows access to the Software for the computer on which a Computer License is installed and such access does not count against any other license type you may have purchased.

**(c) FileMaker Data API License.** The FileMaker Data API feature (“Data API Feature”) allows you to pull and push data from and to your database on FileMaker Cloud by making REST API data requests (each a “Data Request”) to your database on FileMaker Cloud. The number of Data Requests you may make is limited by the amount of API data transfer (“API Data Transfer”) you receive with your license. For inbound Data Requests (pulling data into your database on FileMaker Cloud) you have unlimited API Data Transfer. For outbound Data Requests (pushing data out from your database on FileMaker Cloud) you are limited to the API Data Transfer included with the Software along with any additional API Data Transfer that you purchase. If you converted your Software under the BYOL program and have either a User License contract or a Site License contract, then the API Data Transfer you receive under your User License contract or Site License contract is shared between FileMaker Cloud and all the remaining FileMaker Server licenses you received under each User License or Site

License contract. The API Data Transfer you receive is for the term of your current license only and any unused API Data Transfer will not roll over to the next license term.

**(d) Upgrades & Updates.** If the Software is licensed as a version or feature upgrade or update, then you may only use the Software to replace a validly licensed version of the same software. You agree that the upgrade or update does not constitute the granting of a second license to the Software (i.e., you may not use the upgrade or update in addition to the software it is replacing, nor may you transfer the software which is being replaced to a third party).

**(e) BYOL Conversion.** If you converted your existing FileMaker Server license through the BYOL program to this FileMaker Cloud license, the FileMaker Server license is hereby terminated and replaced with this FileMaker Cloud license. You may only convert one (1) FileMaker Server under each User License contract to FileMaker Cloud. You may continue to use the FileMaker Server software for a 30-day grace period from the date that you converted the FileMaker Server software (“Grace Period”) after which you must cease all use of the FileMaker Server software. FileMaker may, in its sole discretion, take steps to deactivate the FileMaker Server software upon expiration of the Grace Period. You may continue to use any remaining FileMaker Server licenses under your User License contract on-premise for the term of your User License contract.

**(f) Annual Site License Program.** If you have a current Annual Site License Agreement and have requested to use this Software through the BYOL program, you may continue to use your existing FileMaker Server software as well as this Software for the term of your Annual Site License Agreement.

**(g) Education.** If the Software is licensed at an education discount, then the Software may only be used by enrolled students, faculty, teachers, staff and administrators at an accredited K-12 educational institution (or equivalent) or higher education institution exclusively for educational purposes.

## **2. Restrictions.**

**(a) Other Limitations.** YOU MAY NOT REVERSE ENGINEER, DECOMPILE OR DISASSEMBLE THE SOFTWARE, EXCEPT AND ONLY TO THE EXTENT EXPRESSLY PERMITTED BY APPLICABLE LAW. YOU MAY NOT MODIFY, ADAPT, TRANSLATE, RENT, LEASE, LOAN OR CREATE DERIVATIVE WORKS BASED UPON THE SOFTWARE OR ANY PART THEREOF.

**(b) Restricted Uses.** THE SOFTWARE IS NOT INTENDED FOR USE IN THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL SYSTEMS, LIFE SUPPORT MACHINES OR OTHER EQUIPMENT IN WHICH THE FAILURE OF THE SOFTWARE COULD LEAD TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE.

**(c) Transfer Restriction.** YOU MAY NOT TRANSFER OR ASSIGN YOUR RIGHTS

UNDER THIS LICENSE TO ANOTHER PARTY WITHOUT FMI'S PRIOR WRITTEN CONSENT.

**(d) Third Party Acknowledgements.** Certain components of the Software, and third party open source programs included with the Software, have been or may be made available by FMI on its website (<http://www.filemaker.com/support/downloads/>). Acknowledgements, licensing terms and disclaimers for such material are contained in the “online” electronic documentation for the Software, or may otherwise accompany such material, and your use of such material is governed by their respective terms.

**(e) Commercial Hosting Restrictions.** If you provide commercial hosting, you may only allow one customer to access each Software license. You must obtain at least one FileMaker Cloud Software license for each customer that you provide hosting services. You may not use the Software to provide any commercial hosting if you license the Software under FMI’s Site License Agreement or Annual Site License Agreement.

### **3. Term & Termination.**

**(a) FileMaker Cloud License Termination:** If you purchased the Software from AWS Marketplace, then the terms in this section 3(a) apply to you and the terms in section 3(b) below do not apply to you.

**(i) Annual.** If you purchased under the annual license model, your license term will start on the initial purchase date and end on the one year anniversary of the initial purchase date.

**(ii) Hourly.** If you purchased under the hourly license model, your license term will start on the initial purchase date and end on the date that you terminate the license.

**(iii) Effect of Termination.** This License is effective until terminated. This License will terminate automatically without notice from FMI or judicial resolution if you fail to comply with any provision of this License. If you license the Software under an annual license or hourly license, then your licenses will immediately terminate and you must cease all use of the Software and any other software you received under this license (e.g. FileMaker Pro Advanced) upon the expiration of your applicable license term, unless you have paid to renew the license prior to its expiration. Upon expiration or termination, FMI may take steps to deactivate the Software so that you may not continue to use it. Upon such expiration or termination, you must destroy the Software, all accompanying written materials and all copies thereof, and Sections 5, 6, 7, and 9 will survive any termination or cancellation of this License.

**(b) FileMaker Cloud BYOL License Termination:** If you purchased the Software under the BYOL program, then the terms in this section 3(b) apply to you and the terms in section 3(a) above do not apply to you.

**(i) BYOL Initial Term.** If you purchased this Software under the BYOL program, the initial term of this License will commence on the conversion date of the converted FileMaker Server software and will end at the end of the term of the original FileMaker Server software (“Initial Term”).

**(ii) BYOL Renewal Term(s).** Following the Initial Term, or a Renewal Term, you may renew this License for an additional one year term or a multi-year term if approved by FMI (each a “Renewal Term”). In order to renew the License, you must pay the applicable current license renewal fees. FMI will confirm each such renewal by issuing a license certificate that specifies the end of the new Renewal Term and updating FMI’s contract system.

**(iii) Effect of Termination.** This License is effective until terminated. This License will terminate automatically without notice from FMI or judicial resolution if you fail to comply with any provision of this License. Upon expiry or termination of this License for any reason, the License is immediately terminated, and you will cease all use, installation and copying of the Software and any other software you received under this license (e.g. FileMaker Pro Advanced). Within thirty (30) days following expiry or termination, you must submit the required notice in FMI’s contract system, confirming that you have ceased all use of the Software and confirming that copies of the Software have been deleted or destroyed. If FMI does not receive your notice within thirty (30) days, then FMI may (i) invoice you and you are required to continue paying the license fees; and/or (ii) take steps to deactivate the Software so that you may not continue to use it. Any fees paid to FMI under this License are non-refundable upon expiry or termination of this License. Upon such termination you must destroy the Software, all accompanying written materials and all copies thereof, and Sections 5, 6, 7, and 9 will survive any termination or cancellation of this License.

**4. Export Law Assurances.** You may not use or otherwise export or re-export the Software except as authorized by United States law and the laws of the jurisdiction in which the Software was obtained. In particular, but without limitation, the Software may not be exported or re-exported (a) into any U.S. embargoed countries, or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce's Denied Person's List or Entity List. By using the Software you represent and warrant that you are not located in, under control of, or a national or resident of any such country or on any such list. You also agree that you will not use the Software for any purposes prohibited by United States law, including, without limitation, the development, design, manufacture or production of nuclear, chemical or biological weapons.

**5. Limited Warranty.** FMI warrants for a period of ninety (90) days from your date of purchase that the Software as provided by FMI will perform substantially in accordance with the published specifications for the Software available from FMI. FMI's entire liability and your sole and exclusive remedy for any breach of the foregoing limited warranty will be, at FMI's option, replacement of the Software, refund of the purchase price, or repair of the Software.

**THIS LIMITED WARRANTY IS THE ONLY WARRANTY PROVIDED BY FMI AND**

**FMI AND ITS LICENSORS EXPRESSLY DISCLAIM ALL OTHER WARRANTIES, CONDITIONS OR OTHER TERMS, EITHER EXPRESS OR IMPLIED (WHETHER COLLATERALLY, BY STATUTE OR OTHERWISE), INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES, CONDITIONS OR OTHER TERMS OF MERCHANTABILITY, SATISFACTORY QUALITY AND /OR FITNESS FOR A PARTICULAR PURPOSE WITH REGARD TO THE SOFTWARE AND ACCOMPANYING WRITTEN MATERIALS. FURTHERMORE, THERE IS NO WARRANTY AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE SOFTWARE OR AGAINST INFRINGEMENT OF THIRD PARTY PROPRIETARY RIGHTS BY THE SOFTWARE. FMI DOES NOT WARRANT THAT THE OPERATION OF THE SOFTWARE WILL BE UNINTERRUPTED OR ERROR-FREE, OR THAT DEFECTS IN THE SOFTWARE WILL BE CORRECTED. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY FMI OR AN FMI AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF IMPLIED WARRANTIES, CONDITIONS OR OTHER TERMS THE ABOVE LIMITATION MAY NOT APPLY TO YOU. THE TERMS OF THIS DISCLAIMER AND THE LIMITED WARRANTY UNDER THIS SECTION 5 DO NOT AFFECT OR PREJUDICE THE STATUTORY RIGHTS OF A CONSUMER ACQUIRING THE SOFTWARE OTHERWISE THAN IN THE COURSE OF A BUSINESS, NEITHER DO THEY LIMIT OR EXCLUDE ANY LIABILITY FOR DEATH OR PERSONAL INJURY CAUSED BY FMI'S NEGLIGENCE.**

**6. Exclusion and Limitation of Remedies and Damages.**

**(a) Exclusion. IN NO EVENT WILL FMI, ITS PARENT, SUBSIDIARIES, OR ANY OF ITS LICENSORS, DIRECTORS, OFFICERS, EMPLOYEES OR AFFILIATES OF ANY OF THE FOREGOING BE LIABLE TO YOU FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES WHATSOEVER (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF BUSINESS PROFITS, BUSINESS INTERRUPTION, LOSS OF BUSINESS INFORMATION AND THE LIKE) OR DIRECT LOSS OF BUSINESS, BUSINESS PROFITS OR REVENUE, WHETHER FORESEEABLE OR UNFORESEEABLE, ARISING OUT OF THE USE OF OR INABILITY TO USE THE SOFTWARE OR ACCOMPANYING WRITTEN MATERIALS, REGARDLESS OF THE BASIS OF THE CLAIM (WHETHER UNDER CONTRACT, NEGLIGENCE OR OTHER TORT OR UNDER STATUTE OR OTHERWISE HOWSOEVER ARISING) AND EVEN IF FMI OR A FMI REPRESENTATIVE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE.**

**(b) Limitation. FMI'S TOTAL LIABILITY TO YOU FOR DAMAGES FOR ANY CAUSE WHATSOEVER NOT EXCLUDED BY SECTION 6(a) ABOVE HOWSOEVER CAUSED (WHETHER IN CONTRACT, NEGLIGENCE OR OTHER TORT, UNDER STATUTE OR OTHERWISE HOWSOEVER ARISING) WILL BE LIMITED TO THE GREATER OF U.S.\$5.00 OR THE MONEY PAID FOR THE SOFTWARE THAT CAUSED THE DAMAGES. THE PARTIES AGREE THAT THIS LIMITATION OF**

**REMEDIES AND DAMAGES PROVISION SHALL BE ENFORCED INDEPENDENTLY OF AND SURVIVE THE FAILURE OF ESSENTIAL PURPOSE OF ANY WARRANTY REMEDY. THIS LIMITATION WILL NOT APPLY IN CASE OF DEATH OR PERSONAL INJURY CAUSED BY FMI'S NEGLIGENCE ONLY WHERE AND TO THE EXTENT THAT APPLICABLE LAW REQUIRES SUCH LIABILITY. BECAUSE SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES, THE LIMITATION OF LIABILITY IN THIS SECTION 6 MAY NOT APPLY TO YOU. NOTHING IN THIS LICENSE AFFECTS OR PREJUDICES THE STATUTORY RIGHTS OF A CONSUMER ACQUIRING THE SOFTWARE OTHERWISE THAN IN THE COURSE OF A BUSINESS.**

<http://www.filemaker.com/legal/>.

[https://www.comodo.com/repository/docs/ssl\\_certificate\\_subscriber\\_agreement.pdf](https://www.comodo.com/repository/docs/ssl_certificate_subscriber_agreement.pdf)

**9. Admin API (Trial) License.** The Admin API (Trial) feature ("Admin API Feature") is available for use in the Software for a limited time until September 27, 2019 ("Trial Period"). The Admin API Feature allows you to make REST API requests to and from the Software in order to manage databases and schedules. During the Trial Period, you may use the Admin API Feature to make unlimited REST API requests to and from the Software. Notwithstanding anything to the contrary in this Agreement, the Admin API Feature is provided "AS IS" and without warranty of any kind. FMI reserves the right to extend the Trial Period in its sole discretion.

FMI is not obligated to provide any maintenance, technical or other support for the Admin API Feature provided hereunder, or any updates to you for the Admin API Feature.

You acknowledge that FMI has no express or implied obligation to announce or make available a full commercial version of this Admin API Feature to anyone in the future. Should a full commercial version be made available, it may have features or functionality

that are different from those found in this Admin API Feature hereunder and/or may be subject to additional fees.
